

GLYZOL UNICHEM FZCO

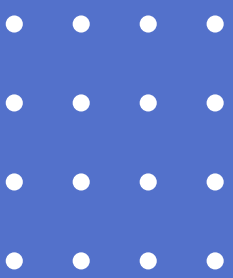

WELCOME TO GLYZOL UNICHEM FZCO,

A leading force in the healthcare solutions sector. Our primary focus revolves around the research, production, and distribution of advanced antimicrobial and antiseptic products. With an unwavering commitment to excellence, we specialize in crafting innovative solutions that elevate global health and safety standards.

CEO SPOTLIGHT

At the helm of our organization is Dr. Ali Ashhad, a visionary leader who has been instrumental in our journey of success. With an impressive 30-year career that includes contributions to Gulf Pharmaceuticals Industries UAE, renowned for its brand Julphar, and specialized professional training and certifications from prestigious institutions across Germany, France, Switzerland, Netherlands, Italy, Greece, and the US, Dr. Ashhad is the driving force behind our company's accomplishments

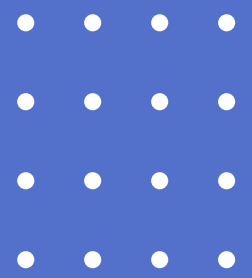

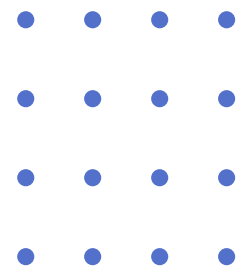

“Engineering Healthier
Tomorrows”

OUR VISION

Our aspiration is to establish Glyzol Unichem Fzco as a premier name in healthcare solutions, dedicated to safeguarding individuals and communities worldwide

OUR MISSION

Fueled by a profound sense of responsibility, we design and deliver impeccable antimicrobial and antiseptic solutions tailored to the needs of medical professionals, patients, and society at large. Our ultimate objective is to foster a safer and healthier global environment

YOUR HEALTH IS OUR PRIORITY
